INFORMATION ABOUT ARRIVAL AND DEPARTURE

Arrival

4 p.m

departur

10:00^e a.m

Sunday departures: 1:00 p.m

Tip: Update your Sunday departure time to 5:00 p.m. in 'My Reservations' or via our app for a long weekend.

Under no circumstances are you allowed to enter the holiday home before 4:00 p.m. on the day of arrival or leave it after 10:00 a.m. on the day of departure. Our cleaning service must have free access to the houses between 10 a.m. and 4 p.m.

Checklist for departure

Dishwasher, refrigerator, washing machine and dryer must be clean and empty. The plates, glasses, pans and cutlery should also be clean and in the kitchen cupboards.

You must dispose of all waste - including toilet and bathroom waste - in the correct bins and containers. Our cleaning service will not find any rubbish in the garden or in the holiday home itself.

When you arrive, the beds will already be made for you. The bed linen must be stripped, tucked into the pillowcases and left by the front door along with other laundry - such as towels.

Is all the furniture back as it was when you arrived?

And at the very end: After you have closed all windows and doors, hand in the key at reception. If the reception is closed, you can return the key via a keybox in front of the reception.

Please set the central heating thermostat to 18 degrees.

Do not forget?

We can also send you items found in the holiday apartment by post. The costs for this are at least €17.50.

On behalf of our entire team and the owner, we would like to thank you for leaving your holiday accommodation clean!

WLAN-Code:

You can find your WiFi password on the flyer in your accommodation. Didn't find it? Our reception team will be happy to help you.

IMPORTANT INFORMATION

Smoking is not permitted on site.

Please dispose of rubbish in the rubbish containers provided. The locations are described in the email you received from us. Please do not leave garbage bags outside. The seagulls pick up the bags and make a big mess.

You can read all the details about this holiday home in the emails from Beach Resort Punt West by Ouddorp Connection.

The beds will be made for you upon arrival. We ask you to remove the beds yourself upon departure. We are very grateful to you for that!

If available: If it is raining, strong wind and leaving the holiday home, please store the garden cushions inside and retract the parasol.

Please DO NOT change the TV settings.

Are you on vacation with your four-legged friend? Pets are welcome, but not in bed or on the couch. Please always pick up leftovers in the garden and when taking walks. In the Netherlands it is also mandatory to carry dog waste bags with you when you go out, otherwise you risk a fine. Finally, and this unfortunately has to be mentioned, you should not leave your pet alone in the holiday apartment for too long. Unfortunately, this often leads to inconvenience for people in the neighborhood. But your darling would also much rather spend the holiday with you!

DID YOU KNOW?

Explanation of most room thermostats

Your house is equipped with a heat pump. We have set the house to a comfortable temperature before your arrival. If you want to adjust the temperature, you can increase or decrease the thermostat using the up or down arrows

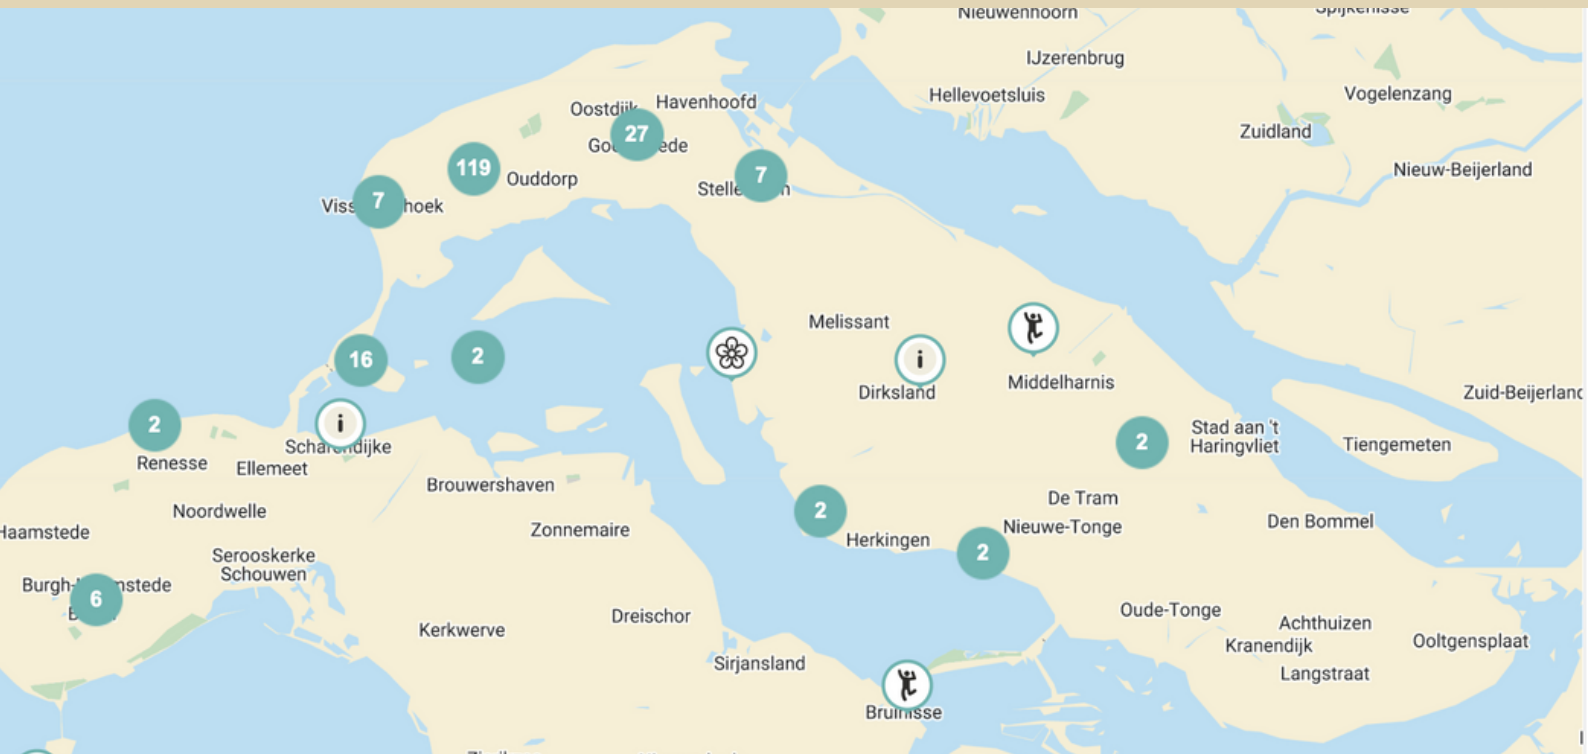

Please turn the thermostat down to 18 degrees at night and when leaving the holiday home. This is in connection with the currently high energy costs.

Cooking on induction:

- increase the temperature slowly;
- do not cook in the pan without butter or oil;
- The hob heats up just as quickly as gas;
- Overcooked pasta or rice - the starch causes stains on the hob - please clean as soon as possible;
- Clean with a damp cloth or sponge after use.

A good restaurant, a fun activity or a tip when it rains? You can read all of this in our app or on beachresortpuntwest.en under the 'Area' section.

This beautiful island has so much to offer. Enjoy 25 kilometers of coastline on sunny beach days or long walks. Dine at one of the many restaurants, spot wild flamingos, a sea eagle or a seal and try out a great new water sport. There is too much to mention in this information pack. But luckily you can do it all online these days!

Park map.

Please note! This plan lists facilities that are currently unavailable.

- The main building with restaurant and beach club is closed until further notice.
- The reception is temporarily located in building number 100 (to the right of the parking lot).
