

# VILLA PARCS

---

For our luxury and small-scale holiday park in the French Alps we are looking for:

## Employee restaurant & bar

This winter season from December to mid-April 2020/2021 we are looking for tourism talents. Are you hospitable, do you like to roll up your sleeves, do you like to receive people and are you helpful? Then read on:

“ It is Saturday and it is departure and arrival day. It is a coming and going of holidaymakers. Guests leaving thank you for the pleasant time at the bar and in the restaurant. Guests who arrive welcome you and you welcome them with drink. You have a chat and don't forget our child-guests. You make coffee, pour ranja and serve it to the guests. Meanwhile, you take care of all orders at the bar and in the restaurant. You are orderly and have a representative, friendly appearance. In addition to making and serving drinks, you are also responsible for the restaurant and the kitchen. You will make our famous homemade flammkuchens and drinks boards. You take reservations from guests who want to dine. And prepare these evenings with the park manager and colleagues. You order the food and drinks and create a homely atmosphere during dinners. Our specialities are the real Alpine dishes such as cheese fondue, stone grills and brasserie (table-bbq)" .

You contribute culinary ideas that fit our atmosphere. You make them negotiable and know how to convey your enthusiasm to other colleagues. Our motto in the restaurant is: feel at home! You are partly responsible for the living room and the holiday feeling at our holiday park.

You are able to communicate clearly, think logically and above all you are a person that guests like to be helped by. You are representative, a team player and a hard worker. You speak Dutch, English and French would be useful. The season lasts approximately from December to April. You work fulltime spread over Monday to Sunday. In consultation with the park manager and the director, you are free in the afternoon (on non-arrival days) to go on the slopes and ski).

### **Our facts and finances:**

40 working hours per week spread over 7 days. this is a seasonal track from December to mid-April (a little shorter is also possible). internship allowance? Yes! €250 per month + free ski pass + accommodation salary indication for staff €750 per month + free ski pass + accommodation

### **You can react in different ways, see what suits you.**
